1-30 APR 87

Refs: A. DND Inq Control No. 87/10141  
B. UFO Reports Month of Apr 87 (enclosed)

1. The enclosed UFO report copies received by NDHQ/NDQC from 1-30 Apr 87, and as requested at ref A, may be released IAW Access to Information Act. No information request was received by this Headquarters for the month of Feb 87.

2. It should be noted that the Department of National Defence only monitors reports of Unidentified Flying Objects (UFOs) sightings and has not compiled records on them since the early 1950s. For your information, the contact at the National Research Council, the Government Agency responsible for reports on UFOs, is:

Director Planetary Sciences  
National Research Council  
Herzberg Institute of Astrophysics  
Ottawa, Canada

1. We were requested in R A to provide pilot SOPs on reporting UFO's along with our recommendation under the Access to Information Act (AIA). The only relative SOP for CF pilots is GPH 204, Article 11, CIRVIS Reports - Vital Intelligence Sightings. A copy of this Article has been passed to <sup>(2)</sup> by DARTS. We recommend this be released under the AIA.

2. There are also relative regulations in the Coast Guard regulations as well as in the nautical Information Publication (AIP). The relative chapters were also provided to you by DARTS. We can make recommendation on the release of these documents.
